JOHN MAYALL'S BLUESBREAKERS
"Return of the Bluesbreakers"

John Mayall's love of the Blues, which he himself called a "crusade" probably did more in the 60's to turn the youth of the world's ears back toward the real Blues than any other artist. On this AIM recording, first released in the early 80's, John Mayall returns to the Blues in the company of numerous great musicians. Many cuts feature Mick Taylor latter of the Rolling Stones, after a tenure in the Bluesbreakers.
