This fantasy filled Funk Fest will take you on the trip of a lifetime into the soft, wet, goo-e 'juicy' stanky birthplace of "Urban Hippie Soul." With a crazy cool chorus of characters which is the trademark of the 'Chopmaster' and the 'Digital' party vibe But! With a soulfully social message of maturity from the mentor of such artists as "Tupac", "Humpty" and David Hollister of "Blackstreet". But this ain't no Rap Music! "Big Brutha" transcends the world of Hip Hop, Funk and Soul ... and moves upward and onward into a soulful, jazzy, funky, euphoric ... (may we even say) heavenly state of purity and oneness of mind and ass.
